**TO THE COURT, ALL PARTIES, AND THEIR COUNSEL OF
RECORD:**

Plaintiff TRAVELERS PROPERTY CASUALTY COMPANY OF AMERICA (“Travelers”) hereby submits this updated settlement report and request for an extension of the Court’s March 22, 2016, Conditional Order of Dismissal. [ECF No. 14.]

The Court had previously granted an extension of the March 22, 2016, Conditional Order of Dismissal on June 1, 2016. [ECF No. 17.]

The parties have finalized the settlement agreement in this case. However, the settlement is conditioned on defendant RANGER PIPELINE, INC. (“Ranger Pipeline”) obtaining a good faith settlement order in the underlying construction defect case entitled *The Regents of the University of California v. RMF Engineering, Inc., et al.*, San Francisco Superior Court Case No. CGC-12-518341 (the “Underlying Action”). Or, alternatively, settling the entirety of the Underlying Action.

Due to the conditional nature of the settlement agreement and Ranger Pipeline’s need to re-file its motion for a good faith settlement order or settle the Underlying Action, Travelers requests that this Court continue to retain jurisdiction of this case for another ninety (90) days or until Travelers files a dismissal with prejudice prior to the ninety (90) day extension of the conditional dismissal.
